

SBST COMMITTEE POLICY

1. Every teacher is the member of the committee.
2. Teachers are to identify learners with specific learning barriers in the first term of every year.
3. Identified learners in the previous year must be monitored for their progress.
4. Any identified learner must be involved in the progress of learner.
5. When a learner is to be referred to the SBST stirring committee the parent and the identifying teacher must be involved.
6. The referral forms must be filled with full details of the barrier the learner is experiencing.
7. SBST committee will then provide a program to the learner to monitor learner progress.
8. If the learner shows no progress then the parent must be informed and the SBST must be involved.
9. The SBST then will organize a programme for the learner.
10. If no progress in evident then the psychologist will be involved together with the parent.
11. The learner will be referred to the right institution for him or her to develop and progress.
